

Golf Course

Nestled in the beautiful White Mountains of New Hampshire just hours away from Boston, New York or Montreal, is the Donald Ross designed 18-hole championship golf course at Maplewood Country Club and Hotel. Built in 1909, this scenic course features towering pines lining the fairways and a beautiful view of the Presidential Mountain Range. Hole #16 is a 651 yard, par 6. The course has bent grass greens and water hazards coming into play on a few holes.

Hole	1	2	3	4	5	6	7	8	9	Out
