

# THE WHALE'S TALE WATER PARK

THE WHOLE FAMILY can play in the only Wave Pool in the White Mountains. Ride the big waves or relax in the gentle ones at the shallow end. No need to worry about sand or salt. A splashing good time awaits you at the

Whale's Tale Water Park. Streak down the speed slides or twist through the flume slides. Clean, clear, filtered water. There's so much to do and one admission price covers it all. Your admission ticket includes unlimited use of the wave pool, four water slides and the Lazy River for the day. You may leave at any time and come back the same day without an additional charge. Additional charge for tube, basket or life vest rentals.

## BLUE LIGHTNING !

You'll feel like you're free falling off a mountain top when you take the plunge on the Blue Lightning Speed Slides.

## WHITE MOUNTAIN WAVES !

The giant wave pool brings the thrill of the surf to the White Mountains. We're making waves the size of ocean-born breakers, so come join the beach party at the Whale's Tale.

## SERPENTINE FLUME SLIDES !

Zip through the turns of the amazing Serpentine Slides, then climb back up and do it again!

## LAZY RIVER !

Grab a float and unwind as you ride the gentle Lazy River through a canyon of White Mountain boulders. Hop on a free tube, lay back, relax and enjoy.

## WHALE HARBOR !

Youngsters can drop anchor at Whale Harbor, a special activity pool with water guns and extra fun for the little ones. Even toddlers can enjoy their own pool, puddle-deep to 16 inches with mini slides.

## FREE PARKING !

One large parking lot provides plenty of easy access parking

## GIFT SHOP !
