

Woodstock Loop

This Bike trip leaves Lincoln, heads west to North Woodstock, then south to the town of Woodstock, and then back north to complete the loop back in North Woodstock. The loop runs alongside the Pemigewasset river with great views and swimming opportunities at two very nice scenic swimming area's. You will ride about 15 miles total on this trip.

Take Route 112 West, past I 93, and to Route 3. Make a left turn onto Route 3 heading south, and go ¼ mile to Route 175. Make a left turn, and cross the iron bridge over the river. For the first swimming area, make a left turn immediately after the bridge and proceed to the parking area on the left.

To continue on the bike loop, follow Route 175 south until you cross the Pemigewasset river for the 2nd time. For the 2nd swimming area, continue on Route 175, cross the river a 3rd time, and then turn left and take this to the end. The swimming area is below in the river. To continue on the bike loop, go back north on Route 175, cross the river, and Make a left turn at the **TO Route 3** sign, bear right and go up the hill and then make a right turn onto Route 3, heading back north.

Follow Route 3 back to North Woodstock. Go past Route 112, and continue North on Route 3 thru the village of North Woodstock. Just past the village, there is a nice picnic / rest area on the right alongside the pemigewasset river. To return to Lincoln, continue north on Route 3 and make a right turn onto connector Rd (right before Clarks Trading Post). Take Connector Road to Route 112 and then turn left onto Route 112 back to Lincoln
